

BEAR CREEK UNITED METHODIST CHURCH

the **NEHEMIAH**
PROJECT

Building on the Past...Believing in the Future

- The following format will be followed on each monthly report to communicate our status in **THE NEHEMIAH PROJECT**
- This monthly report will contain a report of the *activity in the previous month*
- This first report gives explanations that clarify parts of the report
- If you would like your contribution to be made by ETF (Electronic Funds Transfer) please contact the finance office finance@bearcreekumc.org

Report Date **May 2009**
This will be the month of each report.

Total Pledges to Date **228**
The total pledges may change monthly as families complete

Total Pledged **\$2,321,676**
This is the total amount pledged

Total Received **\$373,486.37 (May = \$61,146.87)**
This is the total received year to date.

Paid on Debt **\$167,726.68 – Sanctuary**
\$83,967.54 – FLC

Total **\$251,694.22** *This will be the total amount paid during the year*

Available for repairs **\$96,940.11**

Nehemiah balance **\$4,852.04**

Paid on Project 1 ***We are currently getting bids for new lighting in the Fellowship Hall.***
Each month we will let you know how much has been paid on each project. As each project is completed we will add the word “completed” behind the project, then list the next project. Remember, no project can begin until 85% of the funds needed for the project are received AND the previous project has been fully funded.

Other Information *We will include any other helpful information.*
